APPROVED WITH CONDITIONS

Risk: **Medium** | Confidence: **75%**

We approve Sara Mansouri's loan application with conditions due to her elevated Debt-to-Income (DTI) ratio of 38% and loan debt coverage ratio of 4.4x annual net salary, posing moderate credit risk. However, her clean credit history, zero fraud score, and manageable closing balance of 320,000 DZD suggest a relatively low risk of default, allowing for conditional approval.
